Recommendations

- 1. Maintain and scale the morning traffic. Ensure staff capacity is adequate during the 7–10am to handle traffic and potential growth over time**
- 2. Create an event and test it in the afternoon between 2–5pm, where you create complementary combo's special with top 10 coffee/tea and most selling bakery products (e.g. dark chocolate and scones) to attract traffic and increase revenue**
- 3. Introduce a loyalty program where you get double points between 2–5pm**
